# Ascott in-house Sustainability 101 training

**What is Sustainability?**

Sustainability refers to businesses making smart decisions that benefit the environment, society & our economy in the present and future.

**Ascott's Sustainability Programme**

**Ascott CARES Framework**

**C A R E S**

**Community**

We want to support and strengthen local communities with deep community support and cultural heritage.

- Community Support
- Cultural Heritage

## a) Energy & Carbon

**Act On It - Water (At Home!)**

- Use Modern, Water Saving Shower Heads
- Keep Showers To Under 4 Minutes
- Turn Off Taps When Brushing Teeth, Washing Dishes, etc
- Use Dishwasher Only On Full Load
- Use Cups Rather Than Paper Cups When Drinking

**Reuse**

- Refurbish Old Furniture
- Reuse Old Bathtubs As Planter Box

**Recycle**

- Quarantine Containers Into Communal Spaces

**Single-Use Plastic Reduction**

- Use Water Dispensers Over Plastic Bottles
- Replace Single-Use Amenities

**Small Communit From Unwanted C**  
Examples From Japa India

## e) Cultural Heritage

Discuss Share

• Share one sustainability initiative your department is doing

**Quiz**
